

The Saint Tropez luxury hotel joins the very small club of Prestige Valmont Spas

## La Messardière code V35

After a year of flirting, Valmont and Château de la Messardière are announcing their marriage! The sublime hotel, which combines luxury and authenticity, is joining the V35 Club, the elite of the Swiss brand's worldwide spas. The Wizard of Time has created this beauty break, which wipes away the signs of ageing, too much sun and too many late nights on the face, body and hair.

V35... an enigmatic combination symbolising excellence! Born of an homage imagined by Didier Guillon to the Alps' 35 highest peaks, the V35 Club brings together outstanding hotel spas that share Valmont's quality charter. The V35, the brand's veritable laboratories of expertise, combine unrivalled knowledge of methods with an unmatched level of personalised service. The reign of the Wizard of Time Temps in a partner land! Valmont, the guest spa at Château de la Messardière since the 2013 season, has won over its clientele and congratulates itself on joining the Saint Tropez luxury hotel today in this virtuous circle, the crowning achievement for prestigious players in the world of luxury sharing the same philosophy of excellence.

### A jewel in Saint Tropez

The imposing **Château de la Messardière** is revealed in soft nuances. Light shining on turrets and domes, vaults and colonnades reigns here. Tranquillity, comfortably tucked away from the annoyances of everyday life, is born here. This is where happiness matures in an idyllic, pampering environment with exceptional amenities.

## Saint-Tropez beauty

This outstanding setting reveals luxurious spas where youth and beauty are worked on in four treatment rooms, two steam rooms, a swimming pool and a Jacuzzi. Valmont has orchestrated a head-to-toe beauty programme for femininely tanning on the beach or dancing the night away... a host of targeted treatments in a peaceful setting. Valmont has created an exclusive 90-minute treatment, *Sun of Messardière*, capable of soothing and regenerating skin weakened by UV rays on the face and neck, just for the Saint Tropez luxury hotel.

## The Hair Wizard

To celebrate joining the V35 Club, the Saint Tropez luxury hotel is opening the doors of its hairdressing salon up to Valmont and **integrating its hair ageing expertise into its present services**. To the ephemeral art of hairdressing the Wizard of Time adds a treatment dimension

with long-lasting effectiveness: *Vigour of Solano*. Composed like a melody with relaxation as the vibrato, the treatment aims to stimulate hair growth and prevent hair loss while restoring the sheen lost due to harsh hairdressing methods. The ultimate hair treatment, available in two versions to meet the needs of beautiful women in a hurry (30 and 60 minutes).

The Magician of Time has found his Saint Tropez luxury hotel, the V35 Club's new seaside addition!
