Studio Harcourt Paris sets up for the spring at the Château de la Messardière in Saint-Tropez

Studio Harcourt Paris comes to stay in the idyllic setting of Château de la Messardière from 28 April to 3 May 2015. Their *Studio Éphémère* run by a team from this famous brand invites all the lucky people enjoying time in the Gulf of Saint Tropez to experience the Harcourt magic. Shared values such as the art of hospitality, the culture of excellence, and teamwork brought together Château de la Messardière and Studio Harcourt Paris for this partnership. Portrait models for the day will enjoy the welcome, comfort and professionalism of both establishments. Spurred on by success, Studio Harcourt Paris also plans to return for three days in July and again in August, bringing the legendary Harcourt prestige within the reach of photography fans who appreciate art and beauty.

Created in 1934, Studio Harcourt Paris has immortalised the biggest stars of the 20th and 21st centuries. Its world-famous signature draws inspiration from the inherent glamour of black and white cinema. Thanks to its unique lighting, Studio Harcourt Paris brings out the natural beauty of each model.
